Summary of Facts and Submissions

- I. The applicant (appellant), which at the time was I-LOR, LLC, appealed against the decision of the Examining Division refusing European patent application No. 01930476.5.
- II. With effect from 19 March 2014, the application was transferred to Google Inc., which thereby obtained the status of appellant.
- III. In the course of oral proceedings held on 5 November 2015, the appellant declared that it withdrew the application. The Chairman then pronounced the Board's decision.
